## Consent for Services

In consideration for the professional services rendered to me, or at my request by the Doctor, I agree to pay the reasonable value of said services to the Doctor. I further agree that the reasonable value of said services shall be as billed unless objected to, by me, in writing, within the time for payment thereof. I further agree that a waiver of any breach of any time or condition hereunder shall not constitute a waiver of any further term or condition.

I grant my permission to you or your assignee, to telephone me at home or at my work to discuss matters related to this form or my treatment.

All emergency dental services, or any dental services performed without insurance confirmation of eligibility must be paid for in cash, check or card at the time services are performed.

You will be responsible for payment of your estimated amount, including deductibles and co-pays of your primary dental insurance.

I understand that when a treatment plan is given to me, that those fees will be honored for a 12 month period only. I understand that there may be an increase in fees from the date of the treatment plan.

I have read the above conditions of treatment and payment and agree to their content.

# Appointments and Cancellations

When we make your appointment, we are reserving a room for your particular needs. We ask that if you must change or cancel an appointment, please give us at least <u>24-</u> **hour's notice** (for any routine appointment) and/or 1 week notice (for any surgery appointment greater than ONE hour long). This courtesy makes it possible to give your reserved room to another patient who would like it.

If you cancel or fail to show for your confirmed <u>SURGERY</u> appointment, or if you arrive excessively late and treatment cannot be completed as planned, Dr. Faler & Associates reserves the right to recover lost opportunity and associated costs with a <u>BROKEN</u> <u>APPOINTMENT FEE OF \$50 per ½ hour\*\*</u>; *(fee associated with <u>ANY</u> surgery appointment greater than 1 hour in length)* 

<u>One week prior</u> to your appointment you will receive a phone call and/or an email requesting a <u>verbal confirmation</u> for your upcoming appointment. When you receive this message, please <u>CALL</u> us back to confirm the time that you have already reserved with us. If we do not get a <u>VERBAL</u> confirmation from you <u>4-BUSINESS DAYS</u> prior to your reserved time, we will take your appointment off of our schedule.

Repeated cancellations or missed appointments will result in loss of future appointment privileges.

We feel that our patient's time is valuable. When your appointment is made, a room is reserved, your records are prepared, and special instruments are readied for your visit. Except for emergency treatment for another patient, you can expect us to be prompt; we, of course, would appreciate the same courtesy from you.

## Late Arrival

If you are over <u>15 minutes</u> late for your appointment, we reserve the right to reschedule your appointment for a later time. Please understand that we strive to stay on time for your appointment as well as the patients that follow you. By signing below, you have read, and understand this agreement.

\*\*We understand emergencies may arise and we will make allowances depending on the circumstances.

#### Financial Agreement

As a courtesy to our patients, we will file dental insurance claims for services rendered. However, you the patient are ultimately responsible for any incurred fees. We expect payment of deductibles, co-payments and balances to be made at the time services are rendered.

There are hundreds of dental insurance policies. Therefore, we are unable to know about all individual dental plans. In an effort to avoid confusion, we recommend the following:

- Be familiar with your own policy. Information to inquire about would be:
- Do you need to see a provider in your network?
- Does your policy have a yearly deductible and what is the amount?
- Does your policy have a waiting period or missing tooth clause?
- Know what your policy covers and what percentage of a procedure is covered.
- Know the frequency and timing of your preventative maintenance program (some policies cover two cleanings per calendar year and others only cover every six months)
- Know your policy year maximums and when the calendar year starts.
- Bring correct insurance information to your appointment.
  - Please provide us with your dental insurance ID card prior to the start of your appointment. We must have: policy, group and ID numbers to process your claim. We must also have the correct mailing address for your dental insurance carrier. If a claim is returned to us, you will be responsible for the fees and rendered services.
- Let us know if a pre-authorization is required. If a pre-treatment estimate is needed for treatment over \$200, please inform us prior to starting the treatment. They usually take 6-8 weeks to respond to a claim.

Dr. Faler & Associates participate in (put preferred provider insurance here). Even these plans have many policies within them, so make sure to know your plan. If you do not see our name on your list of providers, then we do not participate in your plan. However, some network plans allow you to see providers outside their networks. Your out-of-pocket expense may be slightly higher.

**Dental insurance is meant to be an "aid" in receiving** dental care. Our office bases treatment on your **needs, not what your insurance will pay. Insurance payment is determined by "UCR" fees (usual,** customary, and reasonable fees). These fees are not always the same as our fees. Some insurance companies may pay less, some pay more. Whether you're insurance pays 100%, 80%, or 50% of a procedure, they are determining payment based on their fee schedule, not the actual fee our office has charges for the service.

Filing insurance is not a guarantee of payment for the service(s) performed. We have no way of knowing if, or what, your insurance company will pay until the actual claim is submitted. Therefore, all account balances which have not been paid within a 30 day period become due by the person/parent/guardian that is responsible.

I have read the above information and agree to its terms:
